

§ 191.52

19 CFR Ch. I (4–1–02 Edition)

each unit of line item 3 is \$.0121 (\$121.25 ÷ 10,000 = \$.0121).

If 1,000 units of line item 2 were exported, the drawback attributable to the merchandise processing fee is \$24.23 (\$.02423 × 1,000 = \$24.23).

(c) *HTSUS number(s) or Schedule B commodity number(s) of imports and exports.* (1) *General.* Drawback claimants are required to provide, on all drawback claims they submit, the Harmonized Tariff Schedule of the United States (HTSUS) number(s) for the designated imported merchandise and the HTSUS number(s) or the Schedule B commodity number(s) for the exported article or articles.

(2) *Imports.* For imports, HTSUS numbers shall be provided from the entry summary(s) and other entry documentation, when the claimant is the importer of record, or from the certificate of delivery and/or the certificate of manufacture and delivery, otherwise. Manufacturing drawback claimants filing drawback claims based on certificate(s) of manufacture and delivery filed with the claims or previously filed with Customs (see paragraph (a) of this section), may meet this requirement with the HTSUS number(s) for the designated imported merchandise on such certificate(s).

(3) *Exports.* For exports, the HTSUS number(s) or Schedule B commodity number(s) shall be from the Shipper's Export Declaration(s) (SEDs), when required. If no SED is required (see, e.g., 15 CFR 30.58), the claimant shall provide the Schedule B commodity number(s) or HTSUS number(s) that the exporter would have set forth on the SED, but for the exemption from the requirement for an SED.

(4) *6-digit level for HTSUS and Schedule B commodity numbers.* The HTSUS numbers and Schedule B commodity numbers shall be stated to at least 6 digits.

(5) *Effective date.* For imports, HTSUS numbers are required for merchandise entered, or withdrawn from warehouse, for consumption on or after April 6, 1998. For exports, HTSUS numbers or Schedule B commodity numbers are required for exported merchandise or articles exported on or after the date 1 year after April 6, 1998.

(d) *Place of filing.* For manufacturing drawback, the claimant shall file the

drawback claim with the drawback office listed, as appropriate, in the general manufacturing drawback ruling or the specific manufacturing drawback ruling (see §§191.7 and 191.8 of this part). For other kinds of drawback, the claimant shall file the claim with any drawback office.

(e) *Time of filing.* (1) *General.* A completed drawback claim, with all required documents, shall be filed within 3 years after the date of exportation or destruction of the merchandise or articles which are the subject of the claim. Except for landing certificates (see §191.76 of this part), or unless this time is extended as provided in paragraph (e)(2) of this section, claims not completed within the 3-year period shall be considered abandoned. Except as provided in paragraph (e)(2) of this section, no extension will be granted unless it is established that Customs was responsible for the untimely filing.

(2) *Major disaster.* The 3-year period for filing a completed drawback claim provided for in paragraph (e)(1) of this section may be extended for a period not to exceed 18 months if:

(i) The claimant establishes to the satisfaction of Customs that the claimant was unable to file the drawback claim because of an event declared by the President to be a major disaster, within the meaning given to that term in 42 U.S.C. 5122(2), on or after January 1, 1994; and

(ii) The claimant files a request for such extension with Customs within 1 year from the last day of the 3-year period referred to in paragraph (e)(1) of this section.

(3) *Record retention.* If an extension is granted with respect to a request filed under paragraph (e)(2)(ii) of this section, the periods of time for retaining records under 19 U.S.C. 1508(c)(3) shall be extended for an additional 18 months.

[T.D. 98–16, 63 FR 11006, Mar. 5, 1998, as amended by T.D. 01–14, 66 FR 8767, Feb. 2, 2001; T.D. 01–18, 66 FR 9649, Feb. 9, 2001]

§ 191.52 Rejecting, perfecting or amending claims.

(a) *Rejecting the claim.* Upon review of a drawback claim, if the claim is determined to be incomplete (see §191.51(a)(1)), the claim will be rejected

and Customs will notify the filer in writing. The filer shall then have the opportunity to complete the claim subject to the requirement for filing a complete claim within 3 years.

(b) *Perfecting the claim; additional evidence required.* If Customs determines that the claim is complete according to the requirements of §191.51(a)(1), but that additional evidence or information is required, Customs will notify the filer in writing. The claimant shall furnish, or have the appropriate party furnish, the evidence or information requested within 30 days of the date of notification by Customs. Customs may extend this 30 day period for good cause if the claimant files a written request for such extension within the 30 day period. The evidence or information required under this paragraph may be filed more than 3 years after the date of exportation or destruction of the articles which are the subject of the claim. Such additional evidence or information may include, but is not limited to:

(1) The export bill of lading or other actual evidence of exportation, as provided for in §191.72(a) of this part, which shall show that the articles were shipped by the person filing the drawback entry, or a letter of endorsement from the party in whose name the articles were shipped which shall be attached to such bill of lading, showing that the party filing the entry is authorized to claim drawback and receive payment (the claimant shall have on file and make available to Customs upon request, the endorsement from the exporter assigning the right to claim drawback);

(2) A copy of the import entry and invoice annotated for the merchandise identified or designated;

(3) A copy of the export invoice annotated to indicate the items on which drawback is being claimed; and

(4) Certificate(s) of delivery upon which the claim is based (see §191.10(e) of this part).

(c) *Amending the claim; supplemental filing.* Amendments to claims for which the drawback entries have not been liquidated must be made within three (3) years after the date of exportation or destruction of the articles which are

the subject of the original drawback claim. Liquidated drawback entries may not be amended; however, they may be protested as provided for in §191.84 of this part and part 174 of this chapter.

§ 191.53 Restructuring of claims.

(a) *General.* Customs may require claimants to restructure their drawback claims in such a manner as to foster Customs administrative efficiency. In making this determination, Customs will consider the following factors:

(1) The number of transactions of the claimant (imports and exports);

(2) The value of the claims;

(3) The frequency of claims;

(4) The product or products being claimed; and

(5) For 19 U.S.C. 1313(a) and 1313(b) claims, the provisions, as applicable, of the general manufacturing drawback ruling or the specific manufacturing drawback ruling.

(b) *Exemption from restructuring; criteria.* In order to be exempt from a restructuring, a claimant must demonstrate an inability or impracticability in restructuring its claims as required by Customs and must provide a mutually acceptable alternative. Criteria used in such determination will include a demonstration by the claimant of one or more of the following:

(1) Complexities caused by multiple commodities or the applicable general manufacturing drawback ruling or the specific manufacturing drawback ruling;

(2) Variable and conflicting manufacturing and inventory periods (for example, financial, accounting and manufacturing records maintained are significantly different);

(3) Complexities caused by multiple manufacturing locations;

(4) Complexities caused by difficulty in adjusting accounting and inventory records (for example, records maintained—financial or accounting—are significantly different); and/or

(5) Complexities caused by significantly different methods of operation.
